

## Council Notes for Feb 17, 2010

Michael Gaudet brought forward and discussed proposed recommendations for the future of the Manitou Environmental Group. Nathan Mosewich who is the location manager for Hardcore Logo 2, a movie that will be partially shot in Manitou Beach and Watrous, gave an overview of the production and the processes used while working in our communities.

The foreman presented quotes received to remove the insulation and the ceiling in the Village Hall and council awarded the contract to Hub City Contracting. Canada post has been out again reviewing postal box locations and the process is moving along well.

Councilor Zemplak was named to the bylaw review committee and will be working on the Rec Board bylaw. Council will be asking for input from the Board. Council also signed the annual reciprocating water treatment plant back-up operator agreement with the town of Imperial. The water rate bylaw is being given a thorough review and to ensure enough time for the process the billing for January and February will be consistent with the current bylaw.
