

Committee Bylaw Feedback

Thank you for participating in our community engagement opportunity!

This bylaw was brought forward with the intent to protect Tourists & Citizens in the vulnerable sector, and provide accountability to protect municipal volunteer driven projects (fundraisers). People in the vulnerable sector include; minor children, elderly persons, persons with disabilities, etc. Although this process may not limit municipal liability, it creates a defensible position by ensuring we have done our due diligence in the process.

We want to hear your feedback so we can continue improving our village bylaws and policies.

Please fill this quick survey and let us know your thoughts (your answers will remain anonymous).
