

Resort Village of Manitou Beach

November 27, 2025

Around the Beach!

We are pleased to advise that the Resort Village of Manitou Beach office is now open five days per week (Monday through Friday), which is an initiative to enhance customer service. The sewer installation project on Lakeview Avenue is completed with some tidying up of the roadway left to complete. Council approved leasing a new loader and snow blade for the public works operation, which will greatly improve our ability to move snow in the upcoming winter season and improve public works operations significantly. With the seasonal weather changing, we are gearing up to best deal with the snow that is surely to arrive any day soon.

Council has invested time recently on identifying issues and opportunities that lead to setting priorities for future direction of the Resort Village. The process of priority setting is near completion for the short term, then will be reviewed quarterly to monitor progress, ensure that desirable outcomes are achieved and continually refresh as needed. Once approved by Council, there will be more public communication on the priorities identified and related action plans.

We also take the time to congratulate Councillor Sandra Hessdorfer as recipient of the 2025 Champion Award from Farm & Food Care Saskatchewan. In addition to being a Councillor with the Resort Village of Manitou Beach, Sandra is the Agriculture Education Officer with Horizon School Division, a 4-H leader, serves on the Education Committee for Canadian Western Agribition and is the Past Chair of Saskatchewan Women in Agriculture. She is passionate about farming and farms in the St. Benedict SK area with her husband and two sons. Of course, she is also very passionate about being a Councillor with the Resort Village, believing in doing the right thing and making decisions that are in the best interest of the community as a whole.

The next regular Council meeting is scheduled for Tuesday, December 16 at 5:30 PM.

Mayor Cheryl Hanson
